Dear Requester,

This letter is in reply to your Freedom of Information Act request dated August 28, 2019, in which you requested "Copies of all documents, letters, emails and other communications by HHS agencies (including the Food and Drug Administration and Centers for Disease Control and Prevention) with the social media network Pinterest since January 1, 2018." Your request was received in the Center for Biologics Evaluation and Research on October 1, 2019.

After a thorough and diligent investigation, a search of our records did not locate any documents responsive to your request. Please note that you may receive response(s) from other FDA component(s).

You have the right to appeal this determination. By filing an appeal, you preserve your rights under FOIA and give the agency a chance to review and reconsider your request and the agency's decision.

Your appeal must be mailed within 90 days from the date of this response, to:
